Case Manager - Rehabilitation

[Apply Now](#)

Company: Active Care Group

Location: Cameroon

Category: other-general

Did you know that Active Care Group is the proud owner of 11 of the UK's top Case Management companies, with over 200 case managers spanning England, Wales, and Scotland?

Due to growth across all our Case Management businesses we are recruiting an experienced Rehabilitation Case Manager within the North West region. Whether you're looking for employed or associate positions, we welcome passionate individuals to join our team.

We have vast experience in catastrophic injuries, expert witness work and rehabilitation for people of all ages from children to older people. Our goal is to empower our clients to develop their full potential and enrich their lifestyle through providing a comprehensive client focused service.

What sets us apart is our industry leading training and development, as an example our Expert Witness Pathway allows you to develop your career with us.

For this role you will need to be a driver with ability to travel and hold a UK professional health qualification which requires you to be HCPC, NMC or Social Worker Registered. It would also be an advantage if you are an Advanced Members or working towards advanced membership status of the British Association of Brain Injury Case Managers (BABICM).

What you'll be working:

We can consider both Full or Part Time roles

Full Time would be hours per week

If you would like Part Time we are open to discuss the hours you are looking for.

What you'll be doing:

Advocating for the Client's needs while building strong working relationships with families, deputies and litigation solicitors

Produce action plans and goals with timeframes that are specific and relevant to the client

Recruit, select and manage a team of care/support workers for Clients

Implement an individual client focused Support & Rehabilitation Plan with specific guidelines for the support team

Monitor and review the Case Management Plan and Support & Rehabilitation Plan, amending as per the Client's needs

Provide a flexible working pattern to the Support Team, to ensure the smooth operation of service, including working out of core hours, weekends and public holidays

Compile risk assessments on key activities as required and identify risk management strategies that will manage the safety of all parties in a positive manner

What you'll have:

Hold a UK professional health qualification which requires you to be HCPC, NMC or Social Worker Registered

Full Driving Licence and access to a car

Experience supporting people with neurological conditions in a community setting

Ability to address and respond to employee issues in a fair and consistent manner

Strong organisational, time management and planning skills

Flexible, professional and positive approach to multi-site working

What to look forward to:

25 days plus bank holidays

Birthday off

Join the **Active Learning Hub** and benefit from a wide range of e learning and face to face training and development opportunities

Active Reward App giving discounts and savings on your weekly shop

Free 24 hour confidential **Employee Assistance Programme Helpline & App** support with legal, health, wellbeing, relationship and consumer advice

A **Nest Personal Pension** account

Access to join a **Medicash Health Plan** for you and your family to save money on everyday health essentials – like going to the dentist or opticians

We recognise outstanding **Active Behaviours** via the **Active Awards** programme

Enhanced Sick & Maternity Pay benefits

Refer a Friend Scheme and earn yourself up to **£1000** by recommending someone you know

.....and, of course, the support and guidance of our qualified clinical and business leadership teams so that you can really develop your career with Active Care Group
