The Offer

Flexible working options

Great work culture

Opportunity to make a positive impact

The Job

Your responsibilities will include:

In this job you will be reviewing online advertisements in order to improve their content, quality and layout.

You will be required to provide feedback and analysis on advertisements found in search engine results and provide ratings on their relevance to the search terms used.

Another aspect of this opportunity will involve reviewing the language used in advertisements by examining grammar, tone and cultural relevance

As a Personalized Internet Ads Assessor your ultimate goal will be to contribute towards making internet search and online advertising more relevant and interesting for all French speakers in Cameroon

Working on this project will require you to go through a standard recruitment process (including passing an open book assessment). This is a part time project and your work will

be subject to our standard quality assurance checks during the term of this agreement.

The Profile

You must have familiarity with current and historical business, media, sport, news, social media and cultural affairs in Cameroon

Access to and use of a broadband internet connection and associated computer and software to perform the work, all provided at your own expense

Experience in use of web browsers to navigate and interact with a variety of content

Access to and use of an Android (version 4.1 or higher) or IOS Smartphone (version 8 or higher) to complete tasks

A Barcode Scanner application must be installed on your smartphone to complete certain tasks

Active daily user of Gmail and other forms of Social Media

The Employer

Our client helps clients to improve their AI models, and in order to do that we collaborate with people from many different countries.
