Requirement Engineer - Open Finance

[Apply Now](#)

Company: adorsys GmbH & Co. KG

Location: Bangangte

Category: computer-and-mathematical

who we are

At adorsys, we are not just developers and analysts; we are pioneers shaping the digital future for banking and insurance sectors. For over a decade, we have crafted innovative software solutions that grant our clients a decisive edge in their business. We foster an international and agile work environment that thrives on diversity, creativity, and collaboration.

Position Overview:

Join us as a Requirement Engineer in Open Finance, where you'll harness your economic acumen and tech-savviness to bridge the gap between complex business needs and technical execution. This role is central to our product development lifecycle and is perfect for someone who thrives in a fast-paced, collaborative setting.

What awaits you

Engaging with stakeholders to define and refine project requirements

Mastering documentation tools to streamline the development process

Steering agile workflows to drive productivity and innovation

Shaping the narrative of user experience through detailed user stories

Adapting to project shifts with a strategic mindset

Your profile

Proficient in English with strong writing and speaking skills

Bachelor's degree in Economics, Management, or Business Informatics

Solid grounding in accounting and banking

Skilled in JIRA, Confluence, Github, and agile methodologies like Kanban and Scrum

Analytical and methodical with outstanding organizational prowess

Open to relocation and embracing new challenges in Bangante

Why us?

We're not just offering a job; we're inviting you to be part of a movement. With us, you'll navigate the exciting terrain of finance and banking and contribute to sustainable financial living. Benefit from a German firm's structure and security, coupled with competitive remuneration and a culture that nurtures growth.

Your contact person

Andrew J Zeller

About us

We have been developing individual software for banks and insurance companies for more than 10
