Role

Context

Schools and Regional Services comprises 17 Areas within four regions across the state, as well as five central Divisions. The responsibilities of Schools and Regional Services include: service delivery including performance, contract management, funding delivery and acquittal

program implementation including detailed implementation planning and delivery

local area engagement, advice, support and partnerships

workforce capability development, professional practice leadership and delivery

emergency management including critical incident response

supporting strong regional partnerships with early childhood services, schools and other education providers to deliver high-quality services and outcomes with a 0-18 focus.

The regional model is designed to:

connect between central government policy and the delivery of high quality services to Victorians

drive outcomes across all stages of learning through expert advice and support

connect with families, service providers, schools and communities

lead, collaborate and partner at a local level to overcome social and economic challenges facing our communities, towns and cities

deliver health, wellbeing and support services to children, young people and their families to assist them in their learning and development

improve connectedness and transitions between important points in a child's life - such as between early childhood, kindergarten, school and tertiary education

assist and support children and young people who are vulnerable, disengaged, and those with disabilities or challenging behaviour.
